Foreword

It is with sincere pleasure that the members of the staff of the CHIEF present for your interest and enjoyment the Ahoskie School yearbook for 1956-57.

Realizing as we do, that some mistakes and errors are bound to make their appearance in any publication, we, nevertheless, take what we believe is a very pardonable pride in this, the work of our hearts and our hands. We have greatly enjoyed the venture and we fervently hope that our creation is indeed a worthy representative of the truly great school of which we are a part.

LUTHER "BRIGHT EYES" BRAKE AND JIMMY EARLY

We would like to thank Jimmy Early-and especially "Bright Eyes" Brake who covered all the Ahoskie games this season. Bright Eyes also helped the coaches in football, was head coach in J. V. Basketball, teaches elementary classes in basketball.

SUMMARY OF THE '56 SEASON

For the first time in a decade, Ahoskie High produced a football team that fell below the .500 mark in won-lost percentage. A ten-year school record now stands at 86 won, 19 lost, and 3 tied.

Ahoskie outclassed its opponents in passing yardage, passing percentage, and punting average, while taking the short end in first downs and rushing yardage.

In the ten games played by the Indians, they passed 79 times and completed 26, a percentage of 32.9, for 450 yards. The opposition was found taking to the air upon 52 occasions, whereas they completed 16 for a percentage of 30.8 and 281 yards gained.

Ahoskie kickers got away 36 punts and averaged 30.3 yards per attempt, while their foes punted 30 times and only averaged 28.5 yards. The Ahoskie enemies almost doubled the Indians' first downs by earning 117 to Ahoskie's 60, as well as grinding out 2,383 yards to the tribe's 1,556.

Winning four games and losing six for the season, Head Coach Jack Young placed blame on lack of experience and "enough injuries to last us ten years."

Dear Carolyn,

I have sincerely enjoyed being in school with such a wonderful girl, but even more I have enjoyed our dates. They have been the most fun! Words could never express what you, and just being with you, have meant to me.

I am looking forward with great hopes to this coming summer and the future. I hope things go as well then as they have been going so far. Only time and its perpetual changes can tell. May you have as much happiness and success as I am hoping you will.

Yours forever,

John

Best of luck

career. Don't forget
